

Cultural Diversity— Race, Class, Culture

**One day at a time.
One life at a time.**

Community and Family Resources

Goals and Objectives:

- 1) Share/ write an inspired vignette illustrating a personal experience with ine quality, discrimination or social justice.
- 2) Create a description of the lens through which each participant sees the world.
- 3) Discuss culture openly and without fear to initiate open and fearless conversation burying the claim that some subjects are “taboo”.
- 4) Become familiar with solutions\avenues in research, the community, and through colleagues and networking to take a stand for self or to advocate for another.
