

Ethics

**One day at a time.
One life at a time.**

Community and Family Resources

Goals and Objectives:

1. Define ethics: review code of ethics for organization and licensing/certifying bodies
2. Explore elements of professional boundaries and when they are crossed
3. Explore individual characteristics that may put helping professionals at risk
4. Identify current ethical challenges, explore morality and virtue, and professionalism
5. Identify steps necessary and/or appropriate when an ethical violation has been witnessed

DATE: 07/28/17
8:30AM-12 OR 1-4:30
