**Wednesday
July 17**

**6-7:30pm
Danfoss Room**

Ames Public Library
515 Douglas Ave.

*Presented in partnership
with Ames Public Library
and Community and
Family Resources.*

Do you know someone struggling with substance use and need information about how to help?

For resources and discussion, come to this presentation from Community Outreach Specialist Jenn McEvoy about the realities of alcohol and opioid use disorder.

She will discuss the signs and symptoms, statistics, and consequences of substance use. You will learn about what increases the risk of developing these disorders, what detox looks like, and how to get help.
