

Use AmazonSmile for your holiday shopping

Holiday shopping is beginning and many of us order products online. This holiday season, consider ordering through AmazonSmile. AmazonSmile is “a website operated by Amazon with the same products, same prices, and shopping features as Amazon.com. The difference is that when you shop on AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price of eligible products to the charitable organization of your choice.” Choose Community and Family Resources as your charitable organization and we receive 0.5% of every purchase made! There are some caveats to note:

1. Not all items qualify so, please look at the product detail pages as You will see eligible products marked "Eligible for AmazonSmile donation" .
2. You CAN use your existing amazon account but must log in through smile.amazon.com in order for the donation to get credit.
3. On your first visit to AmazonSmile smile.amazon.com, you need to select a charitable organization to receive donations from eligible purchases BEFORE you begin shopping. Amazon will remember your selection, and then every eligible purchase you make at smile.amazon.com will result in a donation.

So, this holiday season, spread joy by telling your friends and family, emailing them, or sharing our social media posts about the AmazonSmile Promotion!
