

## Community & Family Resources

# STIGMA ASSOCIATED WITH SUBSTANCE USE DISORDER

### WHEN

Tues, Mar. 5, 2024 - 12:00-1:00 pm

### WHERE

Virtual via Zoom Please register

### OBJECTIVES

- ✓ Recognize the three types of stigma associated with people that have a substance use disorder (SUD)
- ✓ Identify common perceptions, beliefs, and behaviors that promote or constitute stigma
- ✓ Describe the problems and consequences caused by stigma
- ✓ Identify possible strategies for stigma change
